PRESBYTERY EARTH CARE TEAMS

Green your Presbytery

Strategy

- ▶ Form Earth Care Teams at the presbytery level to engage and support congregations in integrating creation care into their church's Christian witness and ministry

The purpose of the Presbytery Earth Care Program is for Presbyterians for Earth Care to collaborate with individuals and churches to become better stewards of God's creation. The strategy is focused on presbyteries – there are 170 of them. The foundation of the strategy is to form Earth Care Teams at the presbytery level.

To accomplish this purpose, PEC is offering a [Presbytery Earth Care Team Toolkit](#) that contains the following:

[Overview](#)

[How to Use the Toolkit](#)

[How to Start and Sustain a Presbytery Earth Care Team](#)

[Frequently Asked Questions](#)

[Directory of Resources for Your Presbytery Earth Care Team](#)

The Program Guide is a working document.

If you have comments, questions, or resources to share, please send to

pec@presbyearthcare.org.
