prayer Aug 30*

2019 SEASON OF CREATION ACTIVITY CALENDAR

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
1 Pray for Creation	2 Read about what you can do to protect life	3 Listen to the song of a bird	4 Look for God's fingerprints on creation	5 Use less water today than usual	6 Reflect on how all life is connected	7 Give a smile to one of God's creatures
8 Spend 10 minutes before or after Mass reading a book from the Creation Care Shelf in Life Cntr.	9 Thank someone who is taking care of creation	10 Thank a tree for the clean air it produces	11 Pray for 1 st responders as they care for creation	12 Greet and treat whatever life you encounter today with reverence	13 Make today a meatless day in honor of the animals who give their lives to feed us	14 On this feast of the Holy Cross, ask forgiveness for any harm done to animals by humans
15 Ask God what you can do to better care for His creation	16 Imagine an earth with no trees, no bees, no butterflies,...	17 Do something to conserve energy today	18 Explore or enhance your composting	19 Promise to reduce your use of plastic	20 Thank God for your favorite of God's creatures	21 Unplug appliances when not in use
22 Look in a mirror and reflect on how God sees God's image in you!	23 Carpool or combine errands to cut carbon footprint	24 Buy and use Fair Trade items such as chocolate and coffee	25 Save paper by printing on both sides	26 Change one regular purchase to something that produces less waste	27 Consider using less harmful insect/pest control in gardens or at home	28 Hang laundry outside to dry in the sun, save dryer energy
29 Research, Purchase, and Give Green Gifts	30 Check off all the squares that you have been able to do! Repeat one.	Oct. 1 Think of your own green idea: _____ _____ _____	2 Reduce your landfill contributions	3 Pray St. Francis' Canticle of Creation	4 Bring some pet food and come to pet blessing at OLPH	5 Don't Quit now just because the Season of Creation is over. Every day is Care for Creation Day!
