## Volunteer With Us

Volunteer opportunities at Shepherd's Corner are as abundant as the fruits of the earth. We invite individuals

and groups to share in our ministry of caring for the land. All sorts of skills are needed or come to learn some new ones. One time visits, work on special projects, or regularly scheduled participation are welcome.

## Group Projects

Groups are invited for a half day of service on a Tuesday, Wednesday, Thursday, Friday, or Saturday. We ask for one adult per 10 youth under 18 years.

## Individual Volunteers

Come for a weekly or monthly time or fill in as needed. Individuals will need to complete **our volunteer**

**application.** The application is the last to pages of the preceding link. We will ask individuals for background screening since we often have minors present. Volunteers must be age 13 or older; volunteers for animal chores must be age 18 or older.

## Shepherd's Corner

### Our Vision:

Shepherd's Ecology Center is positioning itself to be an Earth-centered leader in the Central Ohio community: teaching environmental education, offering reflective experiences on care of creation, and renewing the land while providing healthy, naturally grown produce.

### Our Mission:

Shepherd's Corner Ecology Center invites others to join with us in experiencing the joys and responsibilities of caring for land, life, and spirit. Inspiring others to become shepherds of creation in their own corners of the world.
