Presbyterian Church (U.S.A.) appointed a working group to develop a joint response. The group—consisting of at least one staff member per agency—was asked to craft a positive statement of what each agency, and the agencies together, have done and plan to do regarding environmental stewardship. This document is designed to call attention to ongoing efforts by the PC(USA) to confront the underlying causes of climate change, and to resources available through the six agencies to congregations, mid councils, and other mission and ministry groups wishing to join in the effort.
