Quotes

The climate is a common good, belonging to all and meant for all. At the global level, it is a complex system linked to many of the essential conditions for human life. (23 – *Laudato Si*)

Annual 5K Fundraiser

Cancelled: 14th Annual Farm Fresh 5K
Saturday, June 13th, 2020 – 9 am
Shepherd's Corner, Blacklick, Ohio

Partner with us in feeding the hungry.

We are committed to donating 60-65% of our naturally grown produce to local food pantries.

Proceeds from the race will benefit our food pantry gardens. With the support of folks like you, Shepherd's Corner has been able help combat food insecurity by donating over 29,252 pounds over the last 11 years.

Update regarding our 14th Annual Farm Fresh 5K:

Shepherd's Corner's Farm Fresh 5K is the main source of revenue for our food pantry gardens. For thirteen years this race has been a fun community driven event for all ages of runners and walkers. This year the onslaught of

COVID-19 has impacted so many and caused life changes for all of us. The health of all of our friends & supporters is very important to us. For this reason, Shepherd's Corner Ecology Center has decided to cancel our June 13th Farm Fresh 5K. We will miss the excitement and laughter the racers and walkers bring to Shepherd's Corner.

The impact of COVID-19 will be felt for quite this time. We know that the need for our naturally-grown vegetables will be even greater this season. Food insecurity in Central Ohio will continue to rise. Now, more than ever, our food pantry garden is extremely important.

It is the mission of Shepherd's Corner and of the Dominican Sisters of Peace to care for those who are in need. It would be a blessing to have you join us in our mission. If you are able, consider making a donation to support our efforts to get fresh produce into the hands of those in need. We are grateful for support as we strive to serve our community in this turbulent time.

Donations toward supporting our pantry gardens can be made here:

Shepherd's Corner

Our Vision:

Shepherd's Ecology Center is positioning itself to be an Earth-centered leader in the Central Ohio community: teaching environmental education, offering reflective experiences on care of creation, and renewing the land while providing healthy, naturally grown produce.

[WATCH MORE VIDEOS](#) □

Our Mission:

Shepherd's Corner Ecology Center invites others to join with us in experiencing the joys and responsibilities of caring for land, life, and spirit. Inspiring others to become shepherds of creation in their own corners of the world.
